(Pending) Class I, Zone 1, AEx db IIC T4 Gb
(Pending) Class I, Division 2, Groups A, B, C & D, T4

All new from Atexxo Manufacturing, the Apple iPad Mini 7th generation now suitable for use in Zone 1/21 hazardous locations. The explosion proof iPads are originally manufactured by Apple than converted and certified according to ATEX, IECEx and CSA by Atexxo Manufacturing. This makes the tablets suited for safe use in gas /vapour zone 1 and dust zone 21 hazardous locations. Compliance with ATEX / EX regulations is achieved by modification of the casing together with the safe electrical circuit, which makes the tablets suitable for safe use in Zone 1 hazardous locations. All features of the original product are preserved, except for the fingerprint scanner.

The ATEX iPad Mini 7 Zone 1/21 comes with an aluminium case finish and is available for both the WiFi only model and the WiFi + Cellular 5G models. Beside safe use as smart tablet, both versions are excellent for use as safe video or photo camera with WiFi or Bluetooth connection.

ATEX / IECEx / CSA Zone 1 iPad Mini 7 for Zone 1 & 21

Benefits:

- E-Sim only
- Global Certified for Zone 1 & 21
- Patented Design
- Quick and World Wide Delivery
- Apple (open) Business Manager

Applications:

- Petro (chemical) plants
- Offshore environments
- **Ex safe camera**
- Connected worker / Industry 4.0
- Digital twins at hazardous locations

Conversion of multiple brands possible

Atexxo Manufacturing has capabilities to produce explosion safe variants of other Mobile tablets and or devices from leading brands like Samsung, Nokia, Motorola etc. Please contact us for the possibilities.
